

WARNER MILLER CONFIDENT.
EMPHASIZING THE NECESSITY FOR A REPUBLICAN VICTORY IN THIS STATE.

MASTERY HOME TO TAKE PART IN THE FIGHT FOR FASSETT—HOW TAMMANY HALL DIS-CREDITS REPUBLICAN INSTITUTIONS

IN THE EYES OF EUROPEANS.

BY CABLE TO THE TRIBUNE.

Paris, Oct. 9.—Warner Miller, who has been studying the canal system of Holland and the waterway that the German Government is constructing at Kiel, arrived here on Monday from Berlin, and started to-day for London. He sails for New-York next week. He is in haste to take part in the State campaign. He said to-day to a Tribune correspondent:

"The Republican ticket is admirable from top to bottom, and should be elected. I know every man on it, and I know that each of them is abundantly qualified to fill the office for which he has been nominated. I have already telegraphed that the candidates should be given the warmest support by my friends, and have no reason to think that this will not be done. I should say that the prospect of Republican victory in New-York is most flattering. I hope and believe that we shall win. I am sure we shall if the people clearly understand the issue, which is nothing else than this: Shall Tammany Hall be allowed to extend its sway over the whole State as it has over New-York City? That is what the success of the Democratic State ticket this year involves.

"Tammany must be beaten. Its control of New-York has done more to make foreigners question the wisdom of republican forms of government than anything else. Visitors judge of our country largely by what they see in New-York. They see our miserable pavements and our filthy streets, contrast them with the streets of London, Paris and Berlin, and naturally conclude that, if such deplorable results are peculiar to republican institutions, monarchical forms are preferable. There is no reason why the streets of New-York should not be kept clean, if the money for this purpose is not wasted on Tammany 'bachelors'; but that is done, and the wigwag leaders dare not ask for an additional sum. To cleanse the city properly, the system must be broken up, and a Republican victory this fall will go a long way toward it. I am going back to do all I can for my ticket.

Mr. Miller added that he had spent his time here most profitably and enjoyably. "I have been handsomely treated," he said, "by our foreign Ministers—by Mr. Phelps, in Germany; and by our worthy and accomplished representative here, Mr. Field, whose great success is known to everybody. My treatment by the governments that I visited has also been most gracious. I could not have asked for better."

FRENCH CABINET OFFICERS IN PERIL.

A KNIFE THROWN AT THEM IN MARSEILLE—THE GOVERNMENT AND THE CUSTOMS TARIFF.

Marseilles, Oct. 9.—Ministers Guyot, Roche and Rouvier are still in the city, and to-day were treated to a rather exciting experience. They left the prefecture in carriages, escorted by the hussars and a number of gendarmes. The streets were thronged with a sight-seeing, cheering multitude, but at several points along the route hissing and hooting were heard, especially in the Canabiere quarter. While the Ministers were passing through the Boulevard Liberté somebody in the crowd hurled at them an open knife having a sharp blade. The weapon struck with considerable force, but handled foreman, an officer of the prefecture who was seated in the rear of the ministerial carriages. The incident caused great excitement, and the gendarmes immediately charged and dispersed the mob. They were not able, however, to discover the miscreant.

The Ministers were afterward entertained at luncheon at the Chamber of Commerce. M. Roche, the Minister of Colonies, made a short speech on the subject of the customs tariff. He said that the Cabinet had resolved to make a vigorous defense before the Senate for the free entry of raw material, which was necessary as a part of the national industry. "The new customs tariff," he continued, "cannot interrupt the continuance of our commercial relations, which we shall steadily maintain, and we shall not allow the Government to introduce a bill looking to the expansion of the French carrying trade."

DISORDER IN AMOY SUPPRESSED.

FISCAL ABUSES ITS CAUSE—THE ICHANG OUT-BREAK.

London, Oct. 9.—Despatches dated September 27, received here from Amoy, the seaport town of China on the island of Amoy, province of Fo-Kien, near the opposite of the island of Formosa, announce that there has been serious rioting forty miles from the town of Amoy. The population of Amoy, amounting to about 300,000 people, is in a state of great excitement. The riot was caused by fiscal abuses. Several mandarins and other officials were killed by the rioters. The riots, as these despatches went, had been quieted.

TO RECONSECRATE THE PANTHEON AT ROME.

Rome, Oct. 9.—The rector of the Pantheon recently wrote to the Under Home Secretary of the Italian Government, declaring that if fresh demonstrations were made at that place the ecclesiastical would raise a protest before the whole world and would perhaps reconsecrate the Pantheon. The secretary replied that in view of the great interest at present felt by the people of Rome, any attempt to prevent their entry into the place would probably cause excesses which would afterward be regretted. After further negotiations the Pope has decided to reconsecrate the Pantheon, but the ceremony will be performed in the quietest manner possible.

THE AUSTRIAN EXHIBIT AT THE WORLD'S FAIR.

Vienna, Oct. 9.—A meeting of Ministers summoned by the Minister of Commerce was held to-day to discuss the course proper to be taken by Austria at the Columbian Fair at Chicago. After a general interchange of views it was announced that the State would contribute 15,000 florins to aid the Austrian exhibit there. All those present concurred in the opinion that the grant was sufficient, and agreed to the formation of a Government commission to arrange for a proper and creditable representation of Austria and Hungary at the Fair.

THE ALPHA NOT IN COLLISION.

Hull, N. S., Oct. 9.—Captain Hall, of the steamer Alpha, which arrived here this afternoon from Jamaica and Bermuda, says the steamer had been in collision with the fact that his ship had been in collision with another ship was in quarantine with sickness on board was not true.

MR. STANLEY STARTS FOR AUSTRALIA.

London, Oct. 9.—Mr. and Mrs. Henry M. Stanley, accompanied by Mrs. Tennant, the mother of Mrs. Stanley, started to-day on a tour of Australia. Mr. Stanley is still lame as the result of his recent accident in Switzerland and is compelled to have the assistance of a crutch and stick in walking.

LESS ENGLISH SALT COMING HERE.

London, Oct. 9.—The members of the Salt Union complain of the considerable decrease in the exports of salt from this country to the United States, owing to the fact that the latter country is now largely supplying its own wants with the home product.

SERIOUS ILLNESS OF PROFESSOR JOWETT.

London, Oct. 9.—Professor Benjamin Jowett, the distinguished Greek professor of Oxford University, is extremely ill, and is not expected to recover.

BANK OF ENGLAND BULLION MOVEMENT.

London, Oct. 9.—Bullion to the amount of £50,000 withdrawn from the Bank of England to-day for shipment to the United States.

SO TREATY BETWEEN BELGIUM AND GERMANY.

Brussels, Oct. 9.—The burgomaster of this city, addressing a public meeting to-day, said he was authorized to deny that a treaty had been concluded between Belgium and Germany. On the other hand, he expressed confidence that the neighboring feeling between

MR. SMITH'S SUCCESSOR IN THE COMMONS—PARNELL AND THE IRISH PARTY STRIFE.

Copyright, 1891, by the New-York Associated Press.

London, Oct. 9.—At no time since the break-up of the Liberal party on Mr. Gladstone's introduction of the Home Rule bill has political circles been in such a state of ferment as now. The question of the succession to the leadership of the House of Commons, made vacant by the death of William Henry Smith, excites the hopes and fears of Conservatives and Liberals alike. The former are agitated over the prospect of the accession of Mr. Goschen, whom they regard as the best man to succeed him, and the latter are equally excited by the prospect of the accession of Mr. Parnell, whom they regard as the best man to succeed him. The political clubs of this city, usually deserted at this period of the year, have become within the last three days the centres for excited groups of politicians. Private representations have been made to Lord Salisbury by an important group of Conservatives, who are anxious to secure the appointment of Mr. Parnell. Mr. Parnell, on the other hand, is anxious to secure the appointment of Mr. Goschen. The result of the contest will be of great importance to the future of the Liberal party.

THE POLITICAL CLUBS OF THIS CITY, USUALLY DESERTED AT THIS PERIOD OF THE YEAR, HAVE BECOME WITHIN THE LAST THREE DAYS THE CENTRES FOR EXCITED GROUPS OF POLITICIANS.

PRIVATE REPRESENTATIONS HAVE BEEN MADE TO LORD SALISBURY BY AN IMPORTANT GROUP OF CONSERVATIVES, WHO ARE ANXIOUS TO SECURE THE APPOINTMENT OF MR. PARNELL.

MR. PARNELL, ON THE OTHER HAND, IS ANXIOUS TO SECURE THE APPOINTMENT OF MR. GOSCHEN.

THE RESULT OF THE CONTEST WILL BE OF GREAT IMPORTANCE TO THE FUTURE OF THE LIBERAL PARTY.

THE ATTITUDE OF THE LEADING PARNELLITES PUTS BEYOND A DOUBT THEIR DETERMINATION TO MAINTAIN THE CONFLICT WITH THE FOLLOWERS OF JUSTIN MCCARTHY.

THE SEATS OF CORK AND KILKENNY, MADE VACANT BY THE DEATHS OF MR. PARNELL AND SIR JOHN POPE HENNESSY, ARE EXPECTED TO BE CONTESTED BY RIVAL NATIONALISTS.

THE TALK OF THE IRISH GROUP IN THE NATIONAL LIBERAL CLUB INDICATES THE EXISTENCE OF A PROPOSAL TO ADOPT A CONTEST BY GIVING THE CORK SEAT TO MR. PARNELL.

THE TEMPER OF THE PARNELLITES IS AGAINST ANY COMPROMISE; FOR THEY BELIEVE THAT THE REACTION IN IRELAND TOWARD PARNELLISM IS SO STRONG THAT THEY MAY SUCCESSFULLY EVEN WHERE THEIR DEAD CAME FAILED.

THE WANT OF MONEY RESOURCES ALONE IS LIKELY TO DAMPEN THEIR COMBATIVE ARDOUR. IN RELATION TO THE PARIS FUND, THERE ARE RUMORS THAT IT WILL BE FOUND TO BE SO DEPLETED THAT THERE IS ALMOST NOTHING LEFT.

MR. PARNELL'S PERSONAL FINANCES, IT IS KNOWN, WERE SERIOUSLY REDUCED DURING THE LAST TWO YEARS. A FEW WEEKS AGO HE WAS ON HIS WAY TO LONDON TO SECURE AN EXTENSION OF TIME IN ORDER TO PAY HIS OUTSTANDING OBLIGATIONS ON HIS SHARE OF 'THE FREEMAN'S JOURNAL,' IN ORDER TO MAINTAIN THE PAYING OF THE DIVIDENDS, WHICH WERE DUE TO HIS SHAREHOLDERS.

FINANCIAL MEASURES ADOPTED BY THE GOVERNMENT.

THE LABORERS, ARTISANS AND SMALL STORE-KEEPERS IN RIO JANEIRO CAN HARDLY AFFORD TO ATTEND THE PERFORMANCES AT THE ITALIAN OPERA.

BUT ANY OPPOSITION ON THE PART OF THE PARTISANS OF THE REPUBLICAN REGIME IS CONSIDERED SO FUTILE THAT THE REPUBLICAN GOVERNMENT HAS ALLOWED, FOR INSTANCE, MANY IMPERIALIST LEADERS TO RETURN TO BRAZIL, INCLUDING EVEN VISCONTI D'OLIVEIRA, WHO WAS ONE OF THE MINISTERS OF EMERSON DOM PEDRO AND WHO INTENDS TO START A BANK IN RIO JANEIRO.

IT WAS NOT EXPECTED THAT THE FIRST TWO YEARS OF REPUBLICAN GOVERNMENT IN A COUNTRY WHICH HAD BEEN ALWAYS UNDER MONARCHICAL RULE COULD PASS IN ABSOLUTE QUIETNESS.

THESE HAPPENINGS, OF COURSE, SOME SLIGHT POLITICAL COMMOCTIONS, WHICH WERE PROMPTLY SUPPRESSED, BUT WHICH CAUSED PRESIDENT POMBAL TO BE CALLED A DICTATOR BY THE VANQUISHED FIGHTERS.

HE WAS COMPELLED TO TAKE SOME STEADY MEASURES, ESPECIALLY IN THE PROVINCE OF SAO PAULO, THE APPOINTMENT OF WHOM GOVERNOR HAD TO BE REVOKED.

PREMIER ABBOTT'S DILEMMA.

RIVAL DEMANDS UPON HIM FOR THE RAILWAY AND CANAL PORTFOLIO.

MR. CHAPLEAU WILL LEAVE THE PARTY, WITH HIS FRIENDS, IF HE DOES NOT GET THE PLACE—THE ONTARIO CONSERVATIVES EQUALLY DETERMINED—A CABINET CRISIS NEAR.

(BY TELEGRAPH TO THE TRIBUNE.)

Ottawa, Oct. 9.—There is trouble in the Dominion Cabinet, trouble that may at any moment bring about the collapse of the Abbott Administration. It is said by those who are in a position to know the fact that Mr. Chapleau, who has a large following among the French members in the House, and whose influence has largely increased since the fall of Sir Hector Langevin, has at last formally made his long-expected demand for greater recognition in the Cabinet, in the shape of the portfolio of the Railway and Canal Department.

The difficulty has arisen in this way: Premier Abbott, seeing that a reconstruction of the Cabinet is necessary to keep the party in power, has called a meeting of that body for Monday to discuss the subject. Mr. Chapleau has, it is stated, told Mr. Abbott in the plainest language that if the Cabinet is reconstructed he must have the Railways and Canals Department—failing to get which, he will revolt, with his following, and leave the party to its fate. Mr. Abbott would willingly enough give the portfolio to Mr. Chapleau, but the Ontario Conservatives have told him that this important department must go to an Ontario man. So the Premier is between two fires. The Conservative majority in both Ontario and Quebec is so small that to offend the Premier's followers in either Province would be fatal. It is said the feeling is so strong on both sides that neither will give in, though the life of the Government depends on the surrender of one of them. It is the general opinion that a crisis is near.

"Le Canada," a leading French conservative paper, says that the resignation of Mr. Chapleau would mean the fall of the Government, and adds that at the last meeting of the Cabinet there was a stormy scene over the reconstruction question.

TRoubles OF BUSINESS MEN.

A RECEIVER APPOINTED—SHERIFF IN CHARGE—JUDGMENT ENTERED.

Thomas F. Stevenson has been appointed receiver for Stanley & Hall, manufacturers of electrical supplies at No. 34 Front street. The business was started about ten years ago by E. W. Hazen, who was joined by Arthur F. Stanley in October, 1886, and Harry Hall became a partner in March, 1890. The business was turned into a stock company in April, 1890, with a capital stock of \$20,000, which was afterward increased to \$30,000, the new stock being taken. It was said by Sheldon H. Bassett, of Birmingham, Conn., who became vice-president. Royal A. Bassett, the latter's father, it is said, lent the company money which was secured by a chattel mortgage for \$10,000 in August last. The receivership, it is said, is in the hands of Mr. Bassett. The company, it is reported, has about \$125,000 of unsecured debts and there is due it about \$14,000 from customers, besides some stock on hand.

Deputy Sheriff McGilchrist yesterday took charge of the estate of Max Silberstein, doing business as Max Silberstein & Co. and the American Plush Ball Company, importers of
